EXPERIENCE

Audit & Assurance Intern

May 2026 – Present

Deloitte, San Francisco, CA

- Assisted with inventory cutoff testing by tracing receiving documents to transaction details and supporting documentation.
- Rolled forward and updated audit workpapers to reflect current-year information.
- Updated tick marks and audit documentation within inventory testing workpapers.
- Assisted with cost of goods sold testing for completeness and cutoff by tracing source documents to general ledger details.
- Recorded and documented engagement team members' independence information in audit workpapers.

Tax Intern

Feb 2025 – May 2025

Rainier Wealth Planning, Baton Rouge, LA

- Prepared and assembled tax workpapers for 50+ clients across multiple entity types (sole proprietors, partnerships/LLCs, S-corps), keeping files organized and ready for review.
- Assisted with tax return preparation in Intuit ProConnect by applying deduction rules (standard vs. itemized, QBI deduction) and documenting findings.
- Categorized income and expenses and kept client files accurate, complete, and confidential.
- Reviewed and interpreted tax forms (W-2, K-1, 1099 series, 1098/1098-T), compared amounts to client-provided documentation, and flagged missing items or inconsistencies.

Shift Lead

Aug 2022 – Jan 2024

Juice House Company, Napa, CA

- Accepted customer payments using Square and provided excellent customer service.
- Built a reusable template for social media posts in Canva, reducing turnaround time.
- Tracked on-hand inventory during shifts and reported timely, accurate end-of-shift and closeout analyses to management.
- Collected payments and issued refunds, documented approvals, and maintained an audit trail.
- Troubleshoot minor equipment and software problems and documented and communicated findings to speed future resolutions.
- Reconciled \$500–\$2,000/day in cash and card payments; closed drawer at \$0.00 variance every shift.
- Trained 5 new hires on POS workflows, payment types, and receipt/invoice procedures.
- Audited POS order entries and EOD reports to ensure accurate counts of items, tips, and discounts.
